Detained officials in connection to the reprivatization in Warsaw

06.02.2017 Officers of the Regional Office of the CBA in Warsaw detained three people in the investigation of irregularities in the re-privatization in Warsaw.

Among detained people is, inter alia, former Deputy Director of the Bureau of Land Management Office of the City of Warsaw and two other people from this office, who are currently still working in units of local government in Warsaw. Persons detained by the CBA will be transported to the Regional Public Prosecutor's Office in Wrocław. There will hear the charges, among others, of corruption.

The case is ongoing.
