Study visit of the Moldova delegation

On 30th April 2015 at the headquarters of the CBA was held a study visit of the Border Police Department subordinate to the Ministry of the Interior and the National Anti-Corruption Centre of the Republic of Moldova.

The aim of the visit was, among others, to acquaint visitors with the Polish experience in the fight against corruption. During the meeting, were presented the CBA's statutory tasks, its functioning and areas of activity.

The visitors were also interested in topics related to conducted cooperation between the CBA and the Polish Border Guard in the fight against corruption, including anti-corruption training and e-learning platform.

Jacek Dobrzynski, Press Officer for the CBA
