Polish State Railways under CBA's inspection

On 2 December 2019, the Regional Office of the Central Anti-Corruption Bureau in Lublin commenced an inspection at the Polish State Railways (PKP Polskie Linie Kolejowe SA - PKP PLK SA).

The inspection covers public procurement contracts awarded by PKP in the years 2013-2018, including the implementation of a contract amounting to more than PLN 930 million concluded by PKP PLK SA with a consortium of companies, ASTALDI S.A. being the leading company, for the modernisation of Railway Line No. 7 along the Dęblin - Lublin section.
The inspection is in progress.
