30.04.2025, 17:40

A conference organised by the CBA on the topic of asset declarations took place three weeks ago

The meeting provided an excellent opportunity for experts from Poland and other countries to discuss suggestions for changing the way declarations are submitted and verified.

We would like to thank all participants for their active participation in the event and interesting presentations.

We invite you to watch a video summarising the conference at www.cba.gov.pl.
