Corruption deal in tenders for attractive properties in Krakow - another detainee

The CBA Regional Office in Krakow, under the supervision of the District Prosecutor's Office in Kraków, is conducting an investigation regarding invoking influences in, among others, local government administration and the Board of Municipal Buildings in Krakow and unlawful mediation in arranging the lease or purchase of apartments and commercial premises located in attractive parts of Krakow, near the market square or the Wawel Hill.

Already earlier, 4 people got in the hands of Kraków CBA agents, among others two middlemen, Robert F. and Małgorzata P. The agents searched the apartment of the detained two intermediaries and the premises in local government institutions - there the evidence related to the case was secured.

Another person detained by the CBA - Adam K. - heard a charge in the prosecutor's office regarding acting in agreement with other people and granting Małgorzata P. and Robert F. financial benefits in the amount of 120,000. zł. The two were to undertake unlawful invoking influences on those persons performing public functions of ZBK for this money, so that two public auctions for attractive apartments at Pawlikowski str. and Stradomska str. were suitably settled in favor of specific people.

Further detentions in this case are not ruled out. The investigation is ongoing and multithreaded.
