A control in the Waste Neutralisation Facility in Szczecin

On 14 August 2019 the Control Proceedings Division of the Regional Office of the Central Anti-Corruption Bureau in Szczecin initiated a control at the Waste Neutralisation Facility, belonging to the city of Szczecin. The control concerns the disposal of public property by the Waste Neutralisation Facility in the scope of its use of the guarantee of proper performance of the contract: "Construction of the Waste Neutralisation Facility for the Szczecin Metropolitan Area" and in the scope of the "Agreement" of 24 June 2015 concluded between Waste Neutralisation Facility Sp. z o.o. in Szczecin and Doraco Construction Corporation Sp. z o.o. and its protection.

The value of the controlled investment is estimated at 700 million zlotys.

The control is expected to last until 13 November 2019.
