The CBA secured the evidence

The officers of the Regional Office of the Central Anti-Corruption Bureau in Szczecin have been carrying out an investigation into certifying untrue statements in documents related to the construction of a hospital in the Prison in Czarne.

As part of the proceedings at stake, the officers of the Regional Offices of the CBA in Szczecin and Gdańsk have searched the premises of 4 entities, including the Prison in Czarne and the head office of the contractor for the hospital construction.

In the course of the searches, the officers secured the documentation and data carriers, which will constitute the evidence in the case. The secured evidence will be submitted to the District Prosecutor's Office in Słupsk.

The investigation is the result of the analytical and informational activities which have been carried out in relation to the Regional Inspectorate of the Prison Service in Koszalin and the Pomeranian Budget Policy Institution Pomerania, with its seats in Koszalin and in the Prison in Czarne.
