

Inspection at the Municipal Office in Wolsztyn

On 10 July 2020, the officers of the Inspection Division of the CBA Regional Office in Poznań commenced an inspection at the Municipal Office in Wolsztyn. It covers the decision-making procedures for the conversion of investment properties belonging to the Municipality of Wolsztyn to the Railway Station (previously purchased by a private company).

The inspection also includes a check on the procedures for the preparation and conduct of the investment by the Municipality of Wolsztyn, titled "Construction of an integrated communication system with a multifunctional railway and bus station in Wolsztyn, which also serves to promote the municipality of Wolsztyn and the Wolsztyn Roundhouse", and related public contracts.

The planned date for the inspection completion is 10 October 2020.
