

The CBA at the University of Szczecin

The CBA has just commenced inspection at the University of Szczecin. The proceedings have been conducted by the Inspection Division of the CBA Regional Office in Szczecin.

On 29 April 2021, the officers of the Regional Office of the CBA in Szczecin commenced inspection at the University of Szczecin.

Examination of procedures specified by law concerning taking and carrying out the University's decisions within the scope of development of the Integrated IT System 'Egeria Edukacja' will take place within the control proceedings. The inspection termination is planned for 28 July 2021. Under the Act on the Central Anti-Corruption Bureau, the proceedings may be prolonged.

The CBA officers conducting the control activities will examine documents regarding the purchase and implementation of the IT system at the University of Szczecin. The inspection was preceded by analytical and informational activities.
