

Corruption in the investment of ZMPSiŚ S.A. in Świnoujście

Two entrepreneurs from Wrocław were detained by the CBA. Corruption in the background of the construction of a car park at the ferry terminal in Świnoujście.

The officers of the Regional Office of the Central Anti-Corruption Bureau in Szczecin, under the supervision of the Regional Prosecutor's Office in Szczecin, have been carrying out an investigation into corruption-related offences in connection with the investment of the Szczecin and Świnoujście Seaports Authority S.A. - construction of a car park at the ferry terminal in Świnoujście.

In the territory of the Lower Silesia voivodship, the CBA officers detained two persons suspected of taking part in a corrupt practice, who were supposed to provide a financial gain as part of their business activity. All indications suggest that the men, in exchange for a bribe, expected to use the goods offered by them in the course of the investment.

At the same time, premises occupied by the detainees and the entities connected with the case were searched.

In the Regional Prosecutor's Office in Szczecin, the men heard corruption charges. The prosecutor applied non-custodial preventive measures against them, including police supervision, a ban on contact, and a bailout in the amount of PLN 50,000.

The case is ongoing.
