The audit in the Płońsk Commune resulted in a notification to the Prosecutor's Office

The CBA inspects the remission of local taxes by the Head of the Płońsk commune.

The officers of the CBA Control Procedure Department have inspected the Płońsk Commune Office. The proceedings lasted from 10 November 2020 to 9 August 2021. The inspectors examined, among other things, the correctness of the execution of decisions in the field of municipal property management.

As a result of the audit, it was established that the tax authority, which in this case was the Head of the commune, may have committed numerous irregularities related to the remission of overdue taxes.

As a result of the inspection, the Bureau notified the District Public Prosecutor's Office in Płońsk on an act under Article 231 of the Penal Code (abuse of power).
