Detentions at Military Academy of Technology

The CBA officers in Białystok detained 8 persons associated with the Military Academy of Technology, seven current and one former employees. These are further detentions connected with the case.

The CBA officers searched their offices at the Military Academy of Technology, securing data media devices and documentation demonstrating their illegal activities. The case pertains to allegations of money extortion to the detriment of the Military Academy of Technology.

In a multithreaded investigation carried out by the Regional Office of the Central Anti-Corruption Bureau in Białystok and by the Podlaski Field Division of the Organised Crime and Corruption Department of the National Public Prosecutor's Office, threads of corrupt conduct of public officials in state institutions are being examined, including the Military Technical Academy in Warsaw.
