Inspection at the Municipal Office of Ruda Śląska

On 13 October 2021, the officers of the CBA Regional Office in Katowice commenced control at the Ruda Śląska Municipal Office. The proceedings cover the years 2017 – 2021. The inspection examines the disposal of property by the Municipality of Ruda Śląska in connection with the acquisition, for the municipal real estate resource, of the right of perpetual usufruct and the right of ownership of real estate intended for internal roads.

The CBA inspectors will check, among other things, whether the acquisition, for the communal resource, of real estate intended for internal roads by Ruda Śląska was reasonable or led to unsubstantiated disbursement.

The completion of the inspection is planned for 13 January 2022. Under the provisions of the Act on the CBA, this period may be extended by further 6 months.
