Controls in the Poznań court and the State Enterprise of Metal Industry POMET in Wronki

On 20 October of this year, the officers of the Control Proceedings Division of the CBA Regional Office in Bydgoszcz commenced two inspections - at the District Court in Poznań and the State Enterprise of Metal Industry POMET in Wronki.

The control carried out by the CBA officers in the court in Poznań includes verification of decisions concerning the award of contracts for selected services, supplies and construction works commissioned by the District Court in Poznań in the years 2016-2020 under Article 4d para. 1 item. 8 of the Public Procurement Law.

The other control in progress concerns the decision-making and implementation of decisions on the award of selected public contracts by POMET in Wronki and the implementation and execution of contracts concluded in the years 2016-2020 with the District Court in Poznań.

The planned completion date for both proceedings is 20 January 2022. However, under the provisions of the Act on the CBA, this period may be extended by further 6 months.
