That is how we celebrated the 15th anniversary of the CBA creation

We are pleased to present you with a new spot summarising celebrations of the 15th anniversary of the creation of the Central Anti-Corruption Bureau.

It was a time of intensive work, not only in terms of fulfilling the statutory duties imposed on the Bureau's officers and employees. The Bureau was bestowed with a Flag and its patron was chosen, deserving officers received state decorations, and the Training and Conference Centre in Lucień was named after the President of the Republic of Poland Lech Kaczyński. A number of international meetings and conferences were also held with the participation of institutions cooperating with the Bureau on a daily basis. An exhibition devoted to the CBA was officially opened at Europol. There were also shooting and running competitions of the special services of the Republic of Poland for the cup of the Head of the CBA.

The CBA officers and employees took part in many volunteering and charity initiatives. It was originally intended to have 15 of them. However, the officers' and employees' willingness to support resulted in the accomplishment of almost 30. For the first time, the families of the officers and employees were also involved in the anniversary celebrations.
