Post-conference materials "Criminal analysis of the future"

The CBA published the post-conference materials "Criminal analysis of the future" as part of the Project "Strengthening the competences of law enforcement agencies and judicial institutions in the area of criminal and strategic analysis, supporting the process of identifying, combating and preventing corruption and economic crime" financed by the Norwegian Financial Mechanism 2014-2021. The publication was created on the basis of the International Conference of Criminal and Strategic Analysis LEAF 2022, which took place on October 26-28, 2022 in Warsaw. The publication includes scientific articles prepared by conference speakers and related to the topics of their speeches during the event which is: strategic analysis, correspondent banking, Internet of Things, disinformation, artificial intelligence techniques and OSINT.

The publication has also been translated into English.
